

La Danse Du Chameau

Music: Romain Coutama

Lyrics: Nadin Al Khalidi

For what my love is worth,
For what the night is worth
Don't leave
Away from you
The heart is wounded
Away from you
Night is hated
So, don't leave
Without you time is frozen
and flowers don't get to sleep
Habibi (my beloved one)
You're deserting both,
me and the moon
You're leaving us in vain
I wish those times are back,
When you always remained
Eternally
Habibi,
adoring you is out of my hands
