

Ya Sidi

Music: Dan Svensson

Lyrics: Nadin Al Khalidi

Hello there Mr!
Answer my greetings
I fell for him a long time ago
I fell even for his arrogance
People warned me,
But I kept thinking, he ´d change his mind
My letters are ignored by empty pages,
Same way you ignore me
I won ´t sleep till you greet me back
Hello there Mr!
Answer my greetings
S stands for Salam - (greeting)
L for less talking
Words are for free,
but greetings pay back in heaven
Greet me back,
I remain longing for the sight of your eyes
Ya Sidi Ya Sidi Ya Sidi
(My Master, My Master, My Master)
