

Yasmin

Music: Stephan Jarl

Lyrics: Nadin Al Khalidi & Stephan Jarl

Poem: Aws Al Nayb

Yasmin, the sweetest one of all

Get up and drink some water

Take a step or two

Drink your water

My queen, here comes my queen,

Oh I love her so,

yes I love her so,

she doesn't know

"All are walking in the path of the pioneers

their steps wake up the dark

and declare war on our souls and thoughts,

you stand still in the middle of all

and declare, that you'll always be your own

That's when your soul turns into light

How could I not see you!

Yasmin"

Get well Yasmin

Heaven is not so far

By the name of the healing, curing

and loving one
